# Turf Master

- ✓ 10000 lb load rating.
- ✓ 5ft x 11 ft x 18" without board extensions, 30" deep with the board extensions.
- ✓ 3 cubic yard without board extension with level load.
- ✓ 5 cubic yard when the boards are used.
- ✓ 5000 lb side wind jack.
- ✓ 2500 lb per spindle load rating x 4 spindles.
- ✓ Side walking axle assembly distributes weight evenly amongst the 4 -12in. wide turf tire.
- ✓ Spindles are bolted in and replaceable.
- ✓ Swivel clevis hitch.
- ✓ 3" x 5" x .188 tube main frame.
- ✓ Optional Tailgate
- ✓ 3/16 floor and sides bent as one pan.
- ✓ Unibody construction for the floor supports.
- ✓ Side from ground without board is 48" high with board 60" high.
- ✓ 8 ply 12-12-26 turf tires on heavy duty rim.
- ✓ 55 degree dump angle.
- ✓ 15 ton under body telescopic hoist.
- ✓ 10 to 15 second dump time.
- ✓ Hoist requires 2.5 US gallons.
- ✓ Safety prop built in.
- ✓ Box requires 12'4" headroom when in the dump position.
- ✓ Chemical wash, Automotive grade metal treatment and primer, paint Cat yellow.

Test results have shown that this metal treatment and primer to be superior to powder coat in chip and corrosion resistance.
